ReadMe

As an artist I found myself interested in the technology that made animation, and digital art possible. Exploring programming made me realize the creativity I love in art can be flexed in so many different ways. With my background in art technique, and animation with my combined skills in web development I hope to create software that is pleasant to look at and satisfying to use.

Skills

Languages / Frameworks: Javascript, CSS, SCSS, HTML, React, React Native, Next.js

Tools: Cypress, Mocha/Chai, Circle CI, Adobe Suite, Figma, Express

Currently Learning: Tailwind, Typescript, Node.js

Professional Experience

[What Drink Should I Order?](#) | [Repository](#) | Solo

ES6, React, Next.js, Sass, REST APIs

- Allow users to make preferences on flavors and alcohols for custom cocktail suggestions
- Responsive design for ease of use on mobile devices

[Birds of a Feather](#) | [Repository](#) | **Group (7)** | Selected 2nd Place in Demo Competition

Cypress, CircleCi, Context, React, Heroku, GraphQL API

- Add modern React such as useEffect to avoid asynchronous data issues
- Created user testing for event form filling out with stubbing
- Implemented mapquest into a reusable component for ease of use for team
- Developed Event Form component with predictive location search

[Discoverd](#) | [Repository](#) | **Group (4)**

ES6, React, React Native, Cypress, Expo, REST APIs

- Pull data from RESTful API through expo deployment to identify plants with images
- Implemented the use of native camera and camera roll to enhance user experience

Work Experience

Cable Huston LLP | Office Administration Assistant | Nov 2019 - Nov 2021

- Recognized for ability to manage multiple time sensitive projects, maintaining calm and communication throughout
- Streamlined procedures for filing Estate documentation, easing workload allowing for increased clientele

Struct Club | Operations Manager | Contract | Oct 2018 - Jan 2019

- Connected with talent, and documented interview process fielding questions throughout
- Created email campaigns documenting the internship program

Freelance Illustrator | Contract | Current
